To whom it may concern,

I am writing this letter to proudly acknowledge a respected and active Lakeview Montessori School alumnus Miss. Chloé Aubé and to support her pursuit of an athletic scholarship with Blyth Academy. As the Head of School and as a previous educator of Chloé, it is with honor to write a letter of recommendation for such a deserving student. I have known Chloé for ten years. As a former student of Lakeview, I have had the pleasure to not only teach Chloé, but also to watch her flourish as she continues to prosper throughout her elementary years and beyond. It comes naturally to reflect and celebrate Chloé's exceptional work ethic, academic efforts, and outstanding citizenship.

Chloé always has demonstrated a love of learning and the level of commitment necessary to succeed. These admirable characteristics carried well into high school and the same will transcend into college and beyond. I have great respect for Chloé and truly believe that she is a deserving candidate that you will be proud to have representing Blyth Academy. Furthermore, Chloé is a tenacious student who is eager to succeed and to thrive in anything she sets out to accomplish. Her determination and positive mindset are not only admired by others, but also are a representation of the core of her achievements. Chloé is not only ambitious academically and athletically, but she also has a wonderful way with people, showing graciousness and understanding to those around her. Chloé is a quick learner and is willing to try new things. She is both creative and adaptable. Chloé has many talents. She is an excellent athlete, leader and exhibits beautiful musicality. Her active role as a Lakeview alumni is a true testament to her leadership, as she has volunteered countless hours in various classrooms, both mentoring and inspiring students, also supporting faculty with various tasks.

I cannot think of anyone more deserving, and I wholeheartedly support Chloé's scholarship application. I feel certain that you will be just as impressed with Chloé as I am. As an educator who is committed to helping deserving students succeed, I strongly encourage you to consider Miss. Chloé Aubé for a scholarship.
